BML MUNJAL TINKERPRENEUR TOWARDS TOMORROW COMPETITION

BCM School in Ludhiana organized a prestigious National-level competition on October 21, 2023, called "BML Munjal TINKERPRENEUR towards Tomorrow." This event featured participation from 33 schools across the nation.

Notably, students from our school,

Shreya Kumari from class 11C and Nikhil Godhwani from class 12C, achieved an impressive third position in the "Conventional to Contemporary" event.

In this competition, they presented an innovative business idea related to the evolution of business culture, focusing on the concept of a co-working space. Their achievement is a testament to their creativity and entrepreneurial spirit.
